

3D CAD Technician

We are looking to recruit a full-time 3D CAD Technician, preferably with experience in structural steelwork, to complement our established team of CAD Technicians.

The successful candidate will be responsible for producing design layouts, general arrangements and full manufacturing drawings using Autodesk Inventor.

Responsibilities:

- Liaising with the project team, client, architect and structural engineers to gather details and produce bespoke drawings to suit their requirements
- Maintain files and records throughout
- Attend internal and external project design meetings

Essential Experience:

- Experience of using AutoCAD and Autodesk Inventor or Solidworks
- Able to produce accurate drawings to enable effective construction
- Ability to read technical drawings and specifications

Salary: Competitive Salary – dependent on experience
Hours: 37.5 hours per week Monday – Friday
Location: Queensgate Works, Bilston Road, Wolverhampton, WV2 2NJ
Apply: cv@steelway.co.uk
Enquiries: 07377 113335
